THEMATIC FIELDS COVERED

OUR STRATEGY

We do believe in startup creation to accomplish technology transfer

4 JOBS

MATURATION

Support the researcher to validate the market interest and to develop & build an applicative PoC

INCUBATION

Support the entrepreneurs to develop their venture

COMMERCIALIZATION

Enhance the IP portfolio and grant license to startups or existing companies

INVESTMENT IN VENTURE CAPITAL

Take a minority equity participation in the ventures as co-founder

6 PILLARS TO SUPPORT TECH TRANSFER

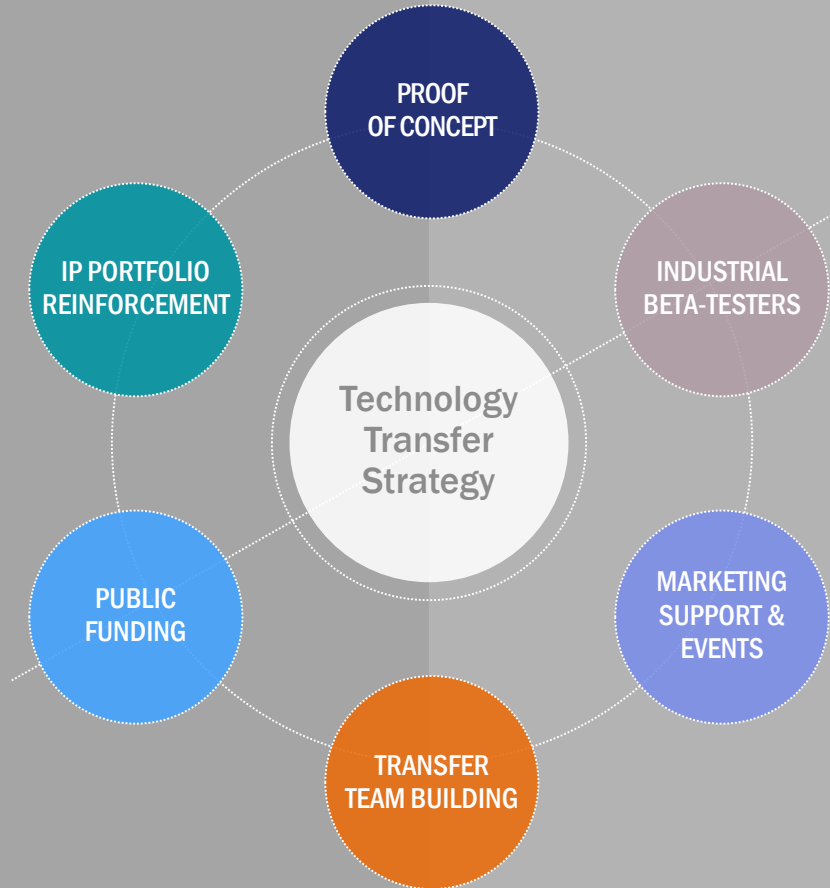

MATURATION

14 to 18 months |
160 K€

From lab results ...

... to a technological offer

INCUBATION

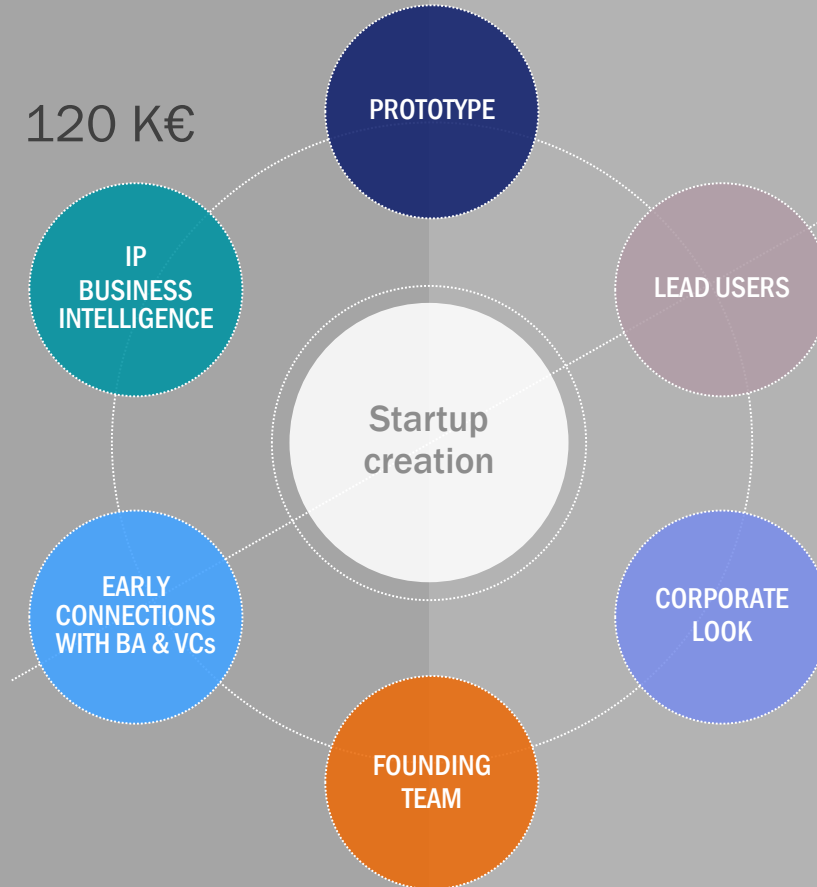

12 to 14 months | 120 K€

... to a growth strategy

*From an entrepreneurial
idea...*

COMMERCIALIZATION

12 to 18 months

... to an exploitation contract

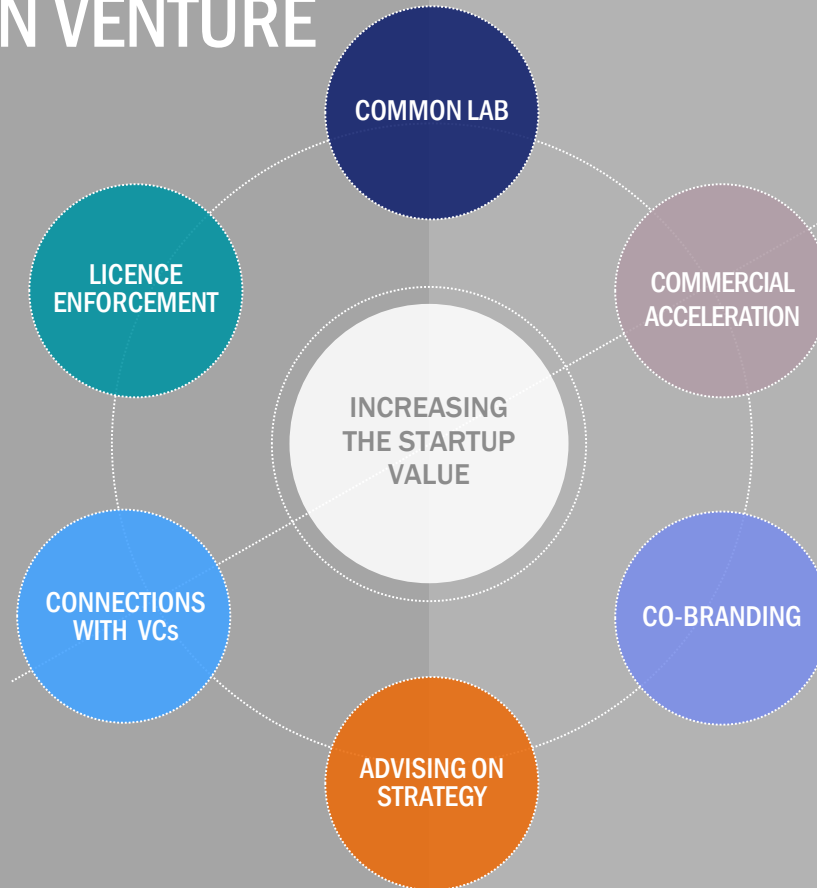

From a technological offer...

INVESTMENT IN VENTURE CAPITAL

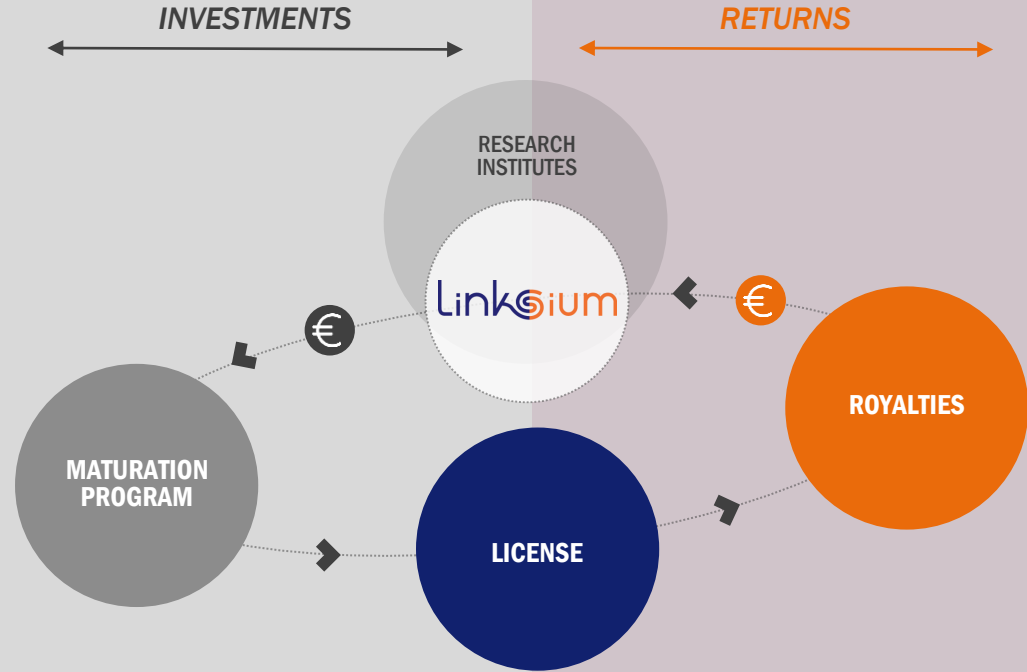

... to an acquisition or IPO

From creating a startup
